KOREA's Medical Service is Good?

Health check price comparison

				
NATION	KOREA	THAILAND	SINGAPORE	JAPAN
CHECKUP ITEM	38	28	16	35
PRICE	1,420 USD	2,440 USD	1,750 USD	2,070 USD
				

Infrastructure of medical devices

On the other hand..

Unfair Government-Led Control System

- Depriving Doctors' & Patients' rights for Best Treatment
 - Excessive Working Hours of Doctors
 - Undemocratic Negotiation Structures
 - Low Government Medical Subsidy

The more..

9 Aug 2017

President Moon's Care

- Excessive Expansion of National Health Insurance Benefit as Populism

Examples of ignorance and unreason in government guide

Case1) Physical therapy / month

Sprain : within 1week

Arthritis : within 2weeks

Herniation of disk : within 3weeks

Case2) Prescription of Medicine

Pneumonia : levofloxacin (antibiotics) :

750mg/day, only within 14days
